Subject: FW: Request for Gold King Update

I missed this when crafting our dist list...Let's add them too. Also, I'm thinking rather than sending the Sit Rep as an attachment, let's just send them the link to the website since there will be other info posted there moving forward. We will also avoid multiple attachments flying around, etc. Thanks!

Subject: Request for Gold King Update

All – I just received a request from Doug Jamison, CDPHE for daily updates on the Gold King release. He asked that updates be sent to him, Greg Naagle, WQ and to Warren Smith, Public

Relations. Doug said they would forward to the rest of their folks at CDPHE.

Thank you.
